

# SHANTI MAURICE

A NIRA RESORT

## YOUR WEDDING AT SHANTI MAURICE

Romance is built into the atmosphere at Shanti Maurice. Our fusion of fun and serenity makes us the perfect venue for your wedding. On the day, with coral reefs as a backdrop and the ebb and flow of the Indian Ocean below, our wedding pavilion is a magical place to say 'I do'. Before the ceremony, the bride-to-be may enjoy a quiet moment of indulgence at Nira Spa, while the groom may choose to unwind with friends. With 35 acres of tropical lush flora, the pavilion at the end of our jetty isn't the only option for the big day's ceremony. The gardens offer secluded corners beneath breadfruit trees and idyllic grassy knolls fringed by frangipani. As for the reception, this may be a formal affair within our function rooms or a more casual event in our gardens or amid our pristine white sands. Our highly experienced wedding planner is at your entire disposal to take the stress out of creating the wedding of your dreams to the minutest detail.

Because every wedding is unique, we have a selection of options that have been designed for your contemplation, so as to ensure truly magical memories.
